## About Us

**“Spectro”** is a subsidiary Division of “Absal Paul Contracting Company” established after careful consideration of the dynamic growth strategic expansion of our manufacturing capabilities, we have decided to rebrand our joinery factory and FF&E Division to provide a one stop solution for Bespoke Joinery and Contract Furniture for specific market segments. We are proud of our track record under our old brand name and look forward to taking this further under Spectro.

Spectro Joinery factory specializes in manufacturing and installation of Built- in Bespoke Joinery for Hotels, High End Offices, Retail Spaces and Residential Projects.

While Spectro FF&E Division focuses on Manufacturing Upholstery Furniture, Soft Furnishing, Procurement, and Installation of Loose and Custom made furniture, Carpets/Rugs and Decorative Lightings for Hotels, High End Offices, Retail Outlets and Residential Projects.

## Bespoke Joinery

**Spectro** is a leading wooden bespoke joinery in KSA , providing world-class customized and innovative solutions for client across various industries.

Our fully integrated manufacturing facility is built on a 4000sqm area in South of Riyadh Industrial Area, and are equipped with modern technology machinery to enable multi-run production backed by a skilled team of over 100 plus craftsman and artisans.

**We are innovative.** We combine our passion for design with our extensive expertise in joinery works. Every details of our project is precisely fitted to the specific requirement tailored to our clients design intent.

**We are committed.** We thrive to serve and meet our client's highest expectations with utmost integrity by transforming your ideas into quality designed solutions delivered on time and at competitive prices.

**UPHOLSTERY:** Upholstery was initially developed to supplement our joinery operation. It became evident that our upholstery works was in such demand, that it became necessary to set this up as a fully fledged separate workshop. Our upholstery operation operates from 1000sqm facility in South of Riyadh industrial Area, We produce all types of Wall Paneling, Banquet Seating, Sofas and Curtain Fabrication.

**MARBLE & STONE:** At Spectro, we consider Marble as a key element on the built-in furniture for all our projects. Our objective in setting up our own marble cutting workshop and a yard is to ensure that all our clients find a stone solution that fully meets their aesthetic, quality and financial expectations. From our 5,000sqm factory located @ South of Riyadh Industrial Area and dedicated technical team we provide the highest level of workmanship.
