

Lampart products are internationally recognized for their contemporary and elegant design, contributing to the creation of opulent spaces.

In addition to exclusive collaborations with renowned designers, Lampart actively engages in R&D to find the best young talents and produce the most exclusive products.

ROOM LIGHTING

The choice of light is crucial for your home, workplace and all your living spaces.

wet volume

Water and corrosion resistant bathroom lighting.

general space

Impressive atmosphere and quality space perception can only be achieved with the right products.

outdoor

Exterior lighting makes spaces both more stylish and safer.

Lampart Lighting was founded in 1990 with the aim of creating a legendary brand, and today it serves in more than 60 countries with the same enthusiasm, desire and innovative designs.

Our projects and products have been original, unexpected, sophisticated and the center of attention.

Lampart Lighting products are more than just lighting, they are an accessory that appeals to the eye, touches the emotions and is a durable work of art.
