

About Us

Otesan Hotel Equipment was established in 2004 in Antalya/TÜRKİYE. Our company has been involved in many important projects with its high quality service approach since the first day it started to work.

It continuously expands its product range by working with the leading brands of the sector. It is one of the leading companies in the current sector with its domestic and foreign market sales service of cafe, restaurant and hotel equipment.

What We Are Doing?

Otesan aims to serve you better by following a more dynamic and daily development with its own brand "globy". In order to increase the profitability of our customers and reduce their costs, we offer you the best price guarantee, fast and reliable service with our 120 brands and over 80,000 product range. We are improving ourselves day by day with the support and positive energy we receive from you. Please visit our website for our products.
